### *LETTER FROM THE PRESIDENT*

Neighbors and Friends,

I would like to thank the Dominique Briggs and her Social Committee for all of their hard work. Our neighborhood events continue to grow, in both quality and attendance. If you haven't attended one of their events you're missing out.

I'd like to remind everyone that our website address is [www.mbcaonline.org](http://www.mbcaonline.org). The website is the **only official medium** of electronic communication for neighborhood information and is updated regularly. The website should be utilized for all clubhouse rental requests.

Each year the Board of Directors, with input from our committees and community members, prepare a budget to be presented to the general membership for their approval. Each year the budget must be approved by the membership and presented to the county no later than January 31<sup>st</sup>.

The attached budget was discussed by the community at October's general membership meeting and will be voted on at our November general membership meeting, which will take place on November 5<sup>th</sup>, 2019 at 8:00 PM. This coming fiscal year we will continue with the much-needed tree work within Manhattan Woods and move forward with plans for a new community entrance sign.

Thank you to all of those that continue to volunteer your time to helping our community thrive. There are many vacant volunteer slots on our website so please take a moment to check it out.

-Brandon Twentymon
