The website will also be update with news and events. (www.mbcaweb.org)

ANNOUNCEMENTS & UPDATES

1) SWIM PLATFORM AT DIVIDING BEACH

The swim platform was moved to the water today and anchored for the season by volunteers. Last week several board members worked on repairing significant damage to one corner, and sealing areas that leaked. As always, use of the swim platform, beaches and the boat ramp are at your own risk. Please report any issues or concerns you may observe to the board at MBCASevernaPark@gmail.com

2) SUCCESSFULL CLEAN-UP ON GORDON PAPER ROAD!

A huge thank you to our 20+ volunteers in the community who helped to clear the overgrowth on the Stinchcomb - Cypress Rd section of the Gordon paper road. It was a massive undertaking and many hours were spent in a mix of rain and hot sun to get the job done. There is still more work to be done. After several runs to the landfill there is still more to be taken away, and some additional removal of invasives. If you would like to volunteer, please reach out to Beth or Michele who head up our Environmental Committee at MBCAenvironment@gmail.com

Thank you for subscribing to notifications from MBCA. This list is for residents of Manhattan Beach only and provides insight into upcoming events, membership meetings, and other community business.
