Please note, this is our first attempt at providing a remote option. Our volunteers have done their best to avoid any technical problems including a dry run last week, so please be patient if we run into issues.

The meeting will start at 8:pm sharp whether the virtual option is working or not. For those who are local tonight, please come by in person!

GENERAL MEETING: Tuesday July 7, 8:00pm at the Clubhouse

In addition to standard Association business, we will have a presentation by the **Department of Public Works** and the **Health Department** to address the recent sewage spill at Cypress Creek and future plans for prevention.
